

# Protect yourself and others!

## Help stop the spread of harmful viruses.

**Cover your mouth** and nose with a tissue when you cough or sneeze.

**No tissue?** Cough or sneeze into your elbow, not your hands.

**Wash your hands** often with soap and warm water, or use a hand sanitizer.

**Stay home** if you are sick.

**Hand washing** is important to stop the spread of germs and avoid getting sick. Stay healthy. Wash your hands often and for **at least 20 seconds**.
